

Geriatrics and Gerontology Didactic Series  
*ADRC Seminar Series*

**Kimberly Mueller, PhD, CCC-SLP**, is an associate researcher in the Wisconsin Alzheimer's Institute at the University of Wisconsin School of Medicine and Public Health. Dr. Mueller's research is focused on discovering how speech and language changes in normal aging, preclinical Alzheimer's disease, and dementia.

**Connected Speech in Early Mild Cognitive Impairment: Results from the Wisconsin Registry for Alzheimer's Prevention**

**Tuesday, September 19, 2017**

**12:00– 1:00 p.m.**

**HSLC 1248**

This is an interprofessional session that targets learners across multiple disciplines that serve older persons, including: physicians, nurses, social workers, pharmacists, psychologists, and rehabilitation therapists. All faculty, staff, and trainees are invited and encouraged to attend.
