“35,000 Subjects and Growing: What Is the NACC Dataset Telling Us about Race and Risk for Dementia?”

Tuesday, February 27, 2018
12:00–1:00 p.m.
HSLC 1229

This is an interprofessional session that targets learners across multiple disciplines that serve older persons, including: physicians, nurses, social workers, pharmacists, psychologists, and rehabilitation therapists. All faculty, staff, and trainees are invited and encouraged to attend.

Attend online via http://live.videos.med.wisc.edu
Password: geriatrics

Visit www.medicine.wisc.edu/geriatrics/conferences for more information, or contact Amanda Salm at asalm@medicine.wisc.edu.

Carey Gleason, PhD, MS, is associate professor of medicine, geriatrics and gerontology, with the University of Wisconsin School of Medicine and Public Health. She is an expert on cognitive effects of post-menopausal hormone therapy and health disparities in Alzheimer's disease.

Accreditation Statement
In support of improving patient care, the University of Wisconsin-Madison Interprofessional Continuing Education Partnership (ICEP) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statement
The University of Wisconsin-Madison ICEP designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
