

Geriatrics and Gerontology Didactic Series

Geriatrics Grand Rounds

Nicole Rogus-Pulia, PhD, CCC-SLP, is an assistant professor in the Division of Geriatrics and Gerontology at the University of Wisconsin School of Medicine and Public Health. Dr. Rogus-Pulia works to identify the underlying causes of dysphagia in older adults and develop treatments for improved swallowing.

Geriatric Dysphagia: The Aging Swallow, Frailty, and Dementia

Tuesday, September 12, 2017

12:00–1:00 p.m.

HSLC 1248

This is an interprofessional session that targets learners across multiple disciplines that serve older persons, including: physicians, nurses, social workers, pharmacists, psychologists, and rehabilitation therapists. All faculty, staff, and trainees are invited and encouraged to attend.
