

Cardiovascular Medicine Grand Rounds 2026
Thursday, April 23, 2026, 7:30-8:30 a.m., Zoom
Rise of the Machine—The Brave New Frontier of AI in Echo
Wojciech Mazur, MD

Cardiac Imaging and Clinical Cardiology Specialist, The Christ Hospital Physicians – Heart & Vascular
 Medical Director of the Hypertrophic Cardiomyopathy Clinic & Advanced Cardiac Imaging, The Christ Hospital
 Health Network, Cincinnati, OH

Provided by the University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP)

Wojciech Mazur, MD, is a cardiac imaging and clinical cardiology specialist with The Christ Hospital Physicians – Heart & Vascular. He also serves as Medical Director of the Hypertrophic Cardiomyopathy Clinic as well as Advanced Cardiac Imaging at The Christ Hospital Health Network. He has more than 20 years of specialized experience in cardiac imaging, including echocardiography, nuclear cardiology, cardiac magnetic resonance, cardiac computed tomography.

Dr. Mazur earned his medical degree in Poland before he came to the United States where he completed a residency and fellowship at Baylor College of Medicine in Houston, Texas. He has published more than 200 research articles, books, abstracts, and book chapters in the field of cardiology. He sees his patients as people, not as a disease or a problem, nor as a task. His focus is not only on how to make the patient well, but also on treating his patient with dignity and respect, while learning their stories and understanding how they tie into their health.

For him, the most important aspect of being a physician is to make a lasting difference in his patients' lives. He strongly believes that the patient is in control of his or her destiny and that changing the way one lives can have a huge impact on one's health. He strongly believes that stress is the one of the main causes of heart disease and focuses on stress management techniques. His common over the counter prescriptions include Mediterranean diet, laughter, meditation and getting a dog! Dr. Mazur is married with two sons. He enjoys hiking, kayaking, listening to NPR and spending time with family. He truly believes in social justice and health equity. Dr. Mazur also believes that access to healthcare is a fundamental right, not a privilege.

*Text the 6-digit code provided at the beginning of the event to 608-260-7097 and complete evaluation linked in your sign-in confirmation.

All attendees, regardless of credential, credit, or affiliation, must have a UW ICEP learner profile and text-to-sign-in per ACCME's reporting standards.

Intended Audience:

The target audience for this activity is Cardiovascular Medicine Faculty (MD, DO), Physicians, Fellows, Residents, Physician Assistants, Nurse Practitioners, Nurses (RN, APRN, LPN), Lab Personnel. Some sessions will be relevant to Internal Medicine, Cardiothoracic Surgery and Pediatric Cardiology.

Objectives:

1. Determine the clinical utility of artificial intelligence workflows within day-to-day echocardiographic examination.

Policy on Disclosure

It is the policy of the University of Wisconsin–Madison Interprofessional Continuing Education Partnership (ICEP) to identify, mitigate and disclose all relevant financial relationships with ineligible companies* held by the speakers/presenters, authors, planners, and other persons who may influence content of this accredited continuing education (CE). In addition, speakers, presenters, and authors must disclose any planned discussion of unlabeled/unapproved uses of drugs or devices during their presentation. For this accredited continuing education activity, all relevant financial relationships have been mitigated and detailed disclosures are listed below.

** Ineligible companies are those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. The ACCME does not consider providers of clinical service directly to patients to be ineligible companies.*

Name	Role	Financial Relationship Disclosures	Discussion of Unlabeled/Unapproved uses of drugs/devices in presentation?	COI completion date

Wojciech Mazur, MD	Presenter	Pfizer (Grant / Contract – Research, ended 3/1/25), Bristol-Myers Squibb (Independent Contractor - Consultant)	No	4/16/26
Peter Rahko, MD	RSS Co-Chair, Reviewer	No relevant financial relationships with ineligible companies to disclose.	No	12/4/25
Zachary Goldberger, MD, MS	RSS Co-Chair	No relevant financial relationships with ineligible companies to disclose.	No	12/1/25
Ashley Bartlett	RSS Coordinator	No relevant financial relationships with ineligible companies to disclose.	No	12/1/25
Amanda Breuer, PA-C	Planner	Abbott Laboratories (Independent Contractor - Other), Medtronic, Inc. (Independent Contractor - Consultant), Biosense Webster, Inc. (Independent Contractor - Other), Boston Scientific Corporation (Independent Contractor - Consultant)	No	12/1/25
Kjersten Busse, NP	Planner	No relevant financial relationships with ineligible companies to disclose.	No	12/2/25
Julia Haynes, MD (Fellow)	Planner	No relevant financial relationships with ineligible companies to disclose.	No	12/2/25

There is no commercial support for this session.

Accreditation Statement

In support of improving patient care, the University of Wisconsin–Madison ICEP is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation Statements

American Medical Association (AMA)

The University of Wisconsin–Madison ICEP designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Nurses Credentialing Center (ANCC)

The University of Wisconsin–Madison ICEP designates this live activity for a maximum of 1 ANCC contact hour.

AAPA Credit Designation Statement

The University of Wisconsin–Madison ICEP has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for 1 AAPA Category 1 CME credits. PAs should only claim credit commensurate with the extent of their participation

American Board of Internal Medicine (ABIM) - with Self-Assessment

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 1 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. Participant completion information will be shared with the ABIM through PARS. By recording your attendance at this event, you are giving UW-ICEP permission to share this information with ABIM.

American Board of Pediatrics (ABP) – with Self-Assessment

Successful completion of this CME activity, which includes participation in the activity and individual assessment of and feedback to the learner, enables the learner to earn up to 1 MOC points in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP MOC credit. Participant completion information will be shared with the ABP through PARS. By recording your attendance at this event, you are giving UW-ICEP permission to share this information with ABP.

Continuing Education Units

The University of Wisconsin–Madison ICEP, as a member of the University Professional & Continuing Education Association (UPCEA), authorizes this program for 0.1 continuing education units (CEUs) or 1 hour.

CME Inquiries: Ashley Bartlett abartlett@medicine.wisc.edu
