2012 UW Health Patient Experience Physician Champion Awards

UW Health is honoring those physicians who have achieved the highest level of exemplary communication skills as recognized by their ambulatory patients through the Avatar patient satisfaction survey.

Twenty-one DOM physicians rank among the top 5 percent of the 769 physicians surveyed in 2011.

Here are our Primary Care Physicians being recognized:

Joan Addington-White, MD  Elizabeth George, MD
Jame Giesen, MD                  Peter Idsvoog, MD
Gregory Sheehy, MD            Kristin Steffen, MD

Elections/Appointments

Julie Fagan, MD has been named the new president-elect of the Dane County Medical Society.

John Frohna, MD, MPH, has been appointed to the Board of Directors for the American Board of Pediatrics.

Elizabeth Jacobs, MD, MAPP, has been elected to Wisconsin Partnership Program Governing Committee. She will serve a 3-year term on its Partnership Education and Research Committee (PERC).

Christie Seibert, MD has been named a Fellow in the Hedwig van Ameringen Executive Leadership in Academic Medicine (ELAM) Program for Women. This is the only program in the US dedicated to preparing senior women faculty for positions of leadership at academic health centers, where they can ultimately play a role in academic health organizations becoming more inclusive of different perspectives and responsive to societal needs and expectations.

Jeremy Smith, MD served as Conference Co-Chair for the 2012 UW Primary Care Conference.
