Awards

Bruce Christiansen, PhD, CTRI, was awarded Researcher of the Year by the Wisconsin Chapter of the National Alliance on Mental Illness (NAMI). Christiansen collaborates with the Salvation Army and other community groups to explore ways to help those with mental illness, substance abuse, and other challenges to quit smoking. He also coordinates the Wisconsin Nicotine Treatment Integration Project (WiNTiP).

Juanita Halls, MD received the 2013 Laureate Award from the Wisconsin Chapter of the American College of Physicians on September 7, 2013 at the ACP Internal Medicine Annual Scientific Meeting. The award honors Fellows and Masters of the College who demonstrate by their example and conduct an abiding commitment to excellence in medical care, education or research and in service to their community, their Chapter, and the ACP.

Heather Huang, MD, received the Outstanding Service Award from the Association of Medicine and Psychiatry.

Christie Seibert, MD, received a UW Health 2013 Patient Experience Fast Tracker Award (given to 7 physicians who achieved significant gains in patient satisfaction data on physician/patient communication).

Dr. Seibert also received the UW Health 2013 Patient Experience Physician Champion Award (given to the top 5% of all physicians’ patient satisfaction survey data on physician/patient communication).

Elections/Appointments

Julie Fagan, MD has been named as the president-elect of the Dane County Medical Society.

Megan Piper, PhD, has been named the 2014 Jarvik-Russel Young Investigator Awardee by the Society for Research on Nicotine and Tobacco (SRNT). This award honors one member who, early in his/her career, has made extraordinary contributions to the field of nicotine and tobacco research.

Jeremy Smith, MD has been selected as a Fellow in the University of Wisconsin Teaching Academy.

Grants

Jessica Cook, PhD received a merit award from the Veterans Administration and is Principal Investigator on “Behavioral Activation for Smoking Cessation in Veterans with PTSD.” Veterans Administration. 2013-2018.

Michael Fiore, MD, MPH, MBA, James Stein, MD, Tim Baker, PhD are Principal Investigators on a grant to study the use of menthol cigarettes from NHLBI in collaboration with the FDA. August 2013-June 2014.

Lisa Grant, DO received an Ambulatory Care Innovations Grant (ACIG). Dr. Grant is offering a Stress Reduction/Mindfulness class to patients who are high utilizers of healthcare visits.

Doug Jorenby, PhD is the lead scientist on a study on the dual use of e-cigs and combustible cigarettes, sponsored by the NIH and FDA. This is a sub-study to the NIH/NCI CTRI Center Grant. September 2012-August 2014. Tim Baker, PhD and Michael Fiore, MD, MPH, MBA are the Principal Investigators.

Tanya Schlam, PhD is Principal Investigator on “Can Smartphone Games Help Smokers Quit?” Dr. Schlam will use the findings as pilot data in a grant application for an NIH K23 Career Development Award. UW-CTRI Developmental Pilot Grant (part of UW-CTRI’s NIH P50 Center Grant)/UW Department of Family Medicine Small Grant. September 2013-August 2014.
Grants  

Christie Seibert, MD is a Principal Investigator on “Transforming Medical Education 2.0: Healthcare Systems Improvement, Community Engagement and Advocacy.” Partnership Education and Research Committee (PERC) of the Wisconsin Partnership Program (WPP) Fund. 2013-2016.

Tosha Wetterneck, MD, MS is a Co-Investigator on a recently funded 3-year Patient Centered Outcomes Research Institute (PCORI) grant (Elizabeth Cox, MD, PhD, PI) Family-Centered Tailoring of Pediatric Diabetes Self-Management Resources. The major goals of the project are to enhance glycemic control and quality of life by moving existing, efficacious self-management resources into the hands of children with diabetes and their families. Dr. Wetterneck is assisting with the implementation and evaluation of the intervention. 10/1/13-9/30/16.

Intl/National Presentations

Angela Byars-Winston, PhD was an invited speaker at the National Human Genome Research Institute/NIH Grantee Meeting on October 15, 2013 in Madison, WI. Dr. Byers-Winston discussed her research on effective mentoring relationships.

Fiore, M. Community Health Centers—Helping Your Patients Quit Tobacco Use. National Conference Call marking the Great American Smokeout. Fellow speakers included Donald Weaver, MD, Natl Assn of Community Health Centers, Dr. Matthew Horan, DMD, Dental Director, Codman Square Health Center, Dorchester and Laura Chisholm, MPH, MCHES, from the Public Health Division/Oregon Health Authority.

**Intl/National Presentations cont’d**

Tosha Wetterneck, MD, MS, presented research findings from her recently completed randomized controlled trial of a pre-visit planning intervention in primary care at the Human Factors and Ergonomics Society 57th Annual Meeting in San Diego, CA, in October 2013. Her oral presentation was entitled, “Impact of a Human Factors Intervention in Primary Care on Physician Situation Awareness, Mental Workload, and Perceived Performance during Elderly Patient Visits.”

**Regional/Local Presentations**

Lisa Grant, DO presented “Mindful Movement for Stress Management” during Patient Experience Week, September 16-20, 2013 in Madison, WI.

Heather Huang, MD presented “Integrated Care Models: Behavioral Health & Primary Care,” Grand Rounds, Department of Psychiatry, University of Wisconsin Hospital & Clinics, August 2, 2013, Madison, WI.

Heather Huang, MD presented “WiPHL: Implementing Depression Collaborative Care in the Primary Care Setting,” at the WiPHL Symposium—Behavioral Screening and Intervention, Madison, WI on September 17, 2013.

Norman Jensen, MD presented “Motivating for Behavior Change” at the 2013 Primary Care Conference at the Madison Concourse Hotel, Madison, WI, November 14, 2013.

Jeremy Smith, MD presented “Who is Vinky Chadha?!? A Systematic Analysis of Effective Teaching,” Grand Rounds at Rosalind Franklin University of Medicine and Science, North Chicago, IL, September 11, 2013.

**Regional/Local Presentations cont’d**

Jeremy Smith, MD presented “Teaching in the DOM: From Imposter to Master Educator”, Department of Medicine New Faculty Orientation, Madison, WI, September 25, 2013.

Jeremy Smith, MD presented “Evaluation and Feedback: Beyond ‘Strong Work’”, to the UW SMPH Department of Pediatrics Fellows Conference on September 10, 2013 and to the UW SMPH Department of Pediatrics Rotation Directors Conference on October 8, 2013, Madison, WI.

Jeremy Smith, MD gave the Welcome at the 2013 Primary Care Conference, at the Madison Concourse Hotel, Madison, WI, November 14, 2013.

Jeremy Smith, MD presented “The Best of Medicine, 2012-2013: Studies that will change your practice,” at the 2013 University of Wisconsin Primary Care Conference, Madison, WI, November 15, 2013.

Jeremy Smith, MD presented “Clinical Pearls that will change your practice: The Best of Medicine, 2012-2013” at the 2013 Primary Care Conference at the Madison Concourse Hotel, Madison, WI November 15, 2013.

James Sosman, MD gave the Welcome at the 2013 Primary Care Conference at the Madison Concourse Hotel, Madison, WI, November 15, 2013.

Betsy Trowbridge, MD presented “Primary Care Redesign: The UW Health Story” at the 2013 Primary Care Conference at the Madison Concourse Hotel, Madison, WI, November 15, 2013.

Tosha Wetterneck, MD, MS presented on using industrial and systems engineering theories and methods to evaluate and redesign primary care at the Wisconsin Health Improvement and Research Partnerships Forum “iPractise. A National Laboratory for Improving PrimAry Care Through Industrial and Systems Engineering.” Presentation at the 2013 Wisconsin Health Improvement & Research Partnerships Forum, Madison, WI, September 12-13, 2013.
Regional/Local Presentations

Tosha Wetterneck, MD, MS gave a lecture entitled, “Introduction to Quality in Healthcare” in the course Health Care Systems: Interdisciplinary Approach 105, for the School of Nursing 105, November 2013.

Tosha Wetterneck, MD, MS gave a lecture entitled, “Quality in Healthcare” in the course Population Health Sciences 717, Principles of Population Medicine and Epidemiology, and served as a small group discussion leader for two exercises in health care quality, November 2013.
